India Taekwondo to hold online Speed Kicking Championship in February

The tournament will be virtually held looking at the COVID-19 situation taking all the practicalities and logistics online.

EP Sports | January 15, 2021 10:27 AM IST

India Taekwondo is looking to nurse into 2021 by announcing its first ever online Speed Kicking Championship. The tournament will be virtually held looking at the COVID-19 situation taking all the practicalities and logistics online.

The virtual tournament will be held from 14 to 18 February 2021, making it a five-day online tournament.

Speed Kicking is performed by athletes who will have to compete for the greatest number of kicks in exactly a minute. The participants shall be scored by an online set of judges based on technical (number of kicks) and overall performance (quality of techniques).

Speed Kicking is one of the components every taekwondo athlete has to have in their arsenal to compete at the Asian Games, Olympic Games, and the World Championship.

"We are excited about what we are able to achieve and execute for our taekwondo athletes in India. We have taken extreme measures to overcome any logistical concerns that might occur during the tournament. The priority is to make sure that the athletes compete in a fair manner and by international standards," said Thirumalai J, Tournament Director, 2021 Online Speed Kicking Championship.

Athletes will be virtually performing within complete safety guidelines as directed by their respective states. They will in no way come in contact with any of the other participants or organizers. Each athlete will have to submit a video performing their speed kicking which they have to record and submit before the given deadline whilst adhering to the rules and regulations of the tournament.

Owing to these unprecedented times and the nature of the unfamiliarity of the virtual tournament, India Taekwondo will conduct a webinar for the participants and their coaches to explain the rules and regulations. This will give everyone further clarity on the special guidelines that are exclusive to this online tournament.

MASTER MILAN KWEE

The heart and soul of India Taekwondo

MASTER MILAN KWEЕ

The heart and soul of India Taekwondo

The Year 2019, will always count as a remarkable year in the history of India Taekwondo.

After the suspension of Taekwondo Federation of India by World Taekwondo, The Indian Olympic Association has formed a new committee for the development of Taekwondo in India in which the World Taekwondo appointed one member and that was none other than Master Milan Kwee.

Master Milan Kwee –

The man with vision has extensive experience in Taekwondo and sports administration. His wealth of experience in Taekwondo has played a Key role in the development of India Taekwondo. Master Milan Kwee was a former National Taekwondo Champion of Singapore. He was the President of Singapore Taekwondo Federation for two different terms and also worked as the Vice-President of Singapore Olympic Committee. In a few days after his appointment he was nominated chairman of Selection Committee of Indian Team for South Asian Games -2019,Nepal The Indian Team selected under chairmanship of Mast. Milan Kwee has given great results where they secured a _____ medal in Taekwondo sport in the South Asian Games – 2019 that was recorded in the history of Indian Taekwondo.He had great faith and confidence in the leadership of Mr.Namdev Shirgaonkar, Since they both shared the same motto 'Welfare of the athletes'. Therefore, he rightly guided Mr. Shirgaonkar to set up India Taekwondo at the right level. Mr. Kwee was a key person in the formation of India Taekwondo.

Master Milan Kwee was also a Referee of World Taekwondo. Referees are one of the strongest pillars of Taekwondo. Hence, he gathered all International Referees of India and guided them. This effort by him played an important role for the huge success of Taekwondo in the first online Open National Poomsae championship in India. The event gave a great energy to all Indian athletes wherein more than 1500 athletes participated in the tournament. Master Milan Kwee has always taught us that the key to success is teamwork .He was a leader who believed in "We" not "I". He was always available round the clock to help India Taekwondo.

India Taekwondo was fortunate to have Master Kwee as its member who helps in monitoring all the development of Taekwondo in India and this proved to be a turning point for the upliftment of this sport in India.Master Kwee visited India along with Dr. Choue (President – World Taekwondo) to discuss the future development of Taekwondo in India. It is rightly said, *"good guidance always results in best achievements."*

His helping hands were always there for India Taekwondo athletes whether locally or globally. It was his efforts that have helped Indian athletes to get free participation in the Speed kicking championship in Philippine. This further helped in maximum participation by Indian athletes who were the Indian athletes who secured more than 50 medals.

Master Milan Kwee was a person who will never ever be forgotten in the history of Taekwondo sport in India.Today his efforts and guidance have helped us to achieve golden history for Taekwondo sport in India, where India Taekwondo has achieved its Olympic dream.

World Taekwondo granted one bipartite quota to Indian athletes Ms. Aruna for the Paralympic Games, Tokyo – 2020. She is the first Taekwondo athlete to represent India in the Paralympics Games.

MASTER MILAN KWEЕ

The heart and soul of India Taekwondo

But unfortunately Master. Milan is not with us to see this golden moment with his eyes.

Today appreciation and good wishes are showering on India Taekwondo for this historical achievement but we can't celebrate this achievement with true heart, as the person behind this success is not with us.

On 9th March 2021 he left for his heavenly abode. He left his newly born baby "India Taekwondo". It was very shocking news for the entire Taekwondo fraternity, especially for India Taekwondo. His sudden demise was an irreparable loss for India Taekwondo, which cannot be recovered. The strongest pillar has broken down. But he did his work to form a strong foundation of Taekwondo Sport in India. Master Milan was successful in setting up a strong base and giving a place to India Taekwondo in the Olympics. He will always stay alive in the hearts of all the

"He will be sorely missed"

"Milan was like a brother to me, and also to many of us in the global Taekwondo family. He was a very loyal friend to us and to World Taekwondo. He was always jovial and encouraged us to live happy lives. It didn't matter who he spoke to or spent time with; those of us who knew him are honored to have him as a friend. He will be sorely missed. We already miss him so much.

Dr. Choue
President,
World Taekwondo.

"You will be always be missed Master Milan Kwee"

"Dear friend Milan Kwee, you lived a life that is full and rich and with a beautiful family you deeply love. Friends from around the world who are saddened by your passing will also celebrate your life and cherish the many great memories. We will remember your passion and dedication and the many contributions to sports and society as Vice President of Singapore National Olympic Council, former President of Singapore Taekwondo Federation and senior member of World Taekwondo leadership. I recall how proud you were travelling the world supporting the efforts of World Taekwondo in different work from supporting refugees to the latest assignment of advising the transformation of the Indian Taekwondo Federation."

Ng Ser Miang
Vice President
IOC

"Milan you are still alive in our heart"

The Loss of a friend like you is something that can never be recovered. You have always been an important person in my life. You have accomplished many good things in Indian Taekwondo Family.

You always proudly mentioned that "India Taekwondo is my baby". You truly worked very hard to streamline Taekwondo in India. You were a hard worker and always followed the path of honesty. A true mentor, who guided me and I learnt a lot from you my dear brother. You will never be forgotten.

Milan you are still alive in our heart & mind through us you will live on.

Namdev Shirgaonkar
